WHO WE ARE

VVCYF was founded in 2021 as a Non-Government Organization in the Coastal region to operate in the united Republic of Tanzania especially in mainland. The certificate was issued in September 2022 with registration No 00NGO/R/3645 under the terms and conditions of National NGOs Policy

VVCYF was started by a team of dedicated founding members with target that children are protected from the threat of any kind of violence, abuse and exploitation.

The organization believes that proper care delivered at the youngest age forms the strongest foundation for person's future.

WHAT WE DO

VVCYF main objectives includes raising awareness of children and youth about the risks of earlier marriage; Raising awareness of children and youth on negative impacts of involvement in illegal activities such as homosexuality, drug tracking, drug use; Promoting the sense of hard work and self-discipline in children and youth which will adequately prepare them withstanding challenges of a rapidly changing world.

OUR VISION

One day, all children and youth will have opportunity of realizing their good citizenship, patriotism and therefore becoming productive to their nation.

OUR MISION

We promote good behavior such as patriotism, hard work and ethicism that prepares children and youth to become productive to their nation.

VVCYF CORE VALUES
